**Report of Principal and School Improvement Council**

Bennettsville Middle School has had a great year! Under the leadership of a new principal, the school has made positive steps toward improvement. A major difference can be seen in the school's physical environment. Business partners donated new furnishings for the teachers' lounge and industrial drum fans for the gymnasium. Beautification will continue to be a school-wide focus.

Bennettsville Middle School is a Title 1 school that serves 428 students in grades 6-8. Due to receiving an at-risk absolute rating for several years, the school has been named a Palmetto Priority School for 2009-2010. However, the school received a below average growth rating for the 2009-2009 school year. Initiatives have been put in place to show continuous growth and raise the absolute rating. The staff completed strategies from the school's Focused School Renewal Plan and received Satisfactory Implementation

The school received a School Improvement Fund Grant for the 2008-2010 school years. This grant secured a curriculum coordinator who was instrumental in providing in-house professional development to teachers on cooperative learning, differentiated instruction and Understanding by Design.

Teachers continue to implement district initiatives in their classrooms. Through the TAP Program (Teacher Advancement Program), teacher quality is improved by meeting weekly with master teachers to learn researched-based strategies. Corrective Reading and Imagine It! Reading programs are used to get students on grade level. The school will implement Everyday Math and Connected Math next school year.

All core classes are equipped with inter-write and promethean boards to engage and motivate students during instruction. A wide-variety of standards-based software is used in classrooms and computer labs.

We look forward to future accomplishments and improvements we will experience by working together with students, parents, business partners and the community at large.

The school is fully accredited by the Southern Association of Colleges and Schools. The school continues to meet all instructional standards of the State Department of Education.

Tabitha Tedder, SIC President
